Complete the form below to register your student for Religious Education Classes and Sacrament Preparation. Please complete one form per student.

## Religious Education and Sacrament Preparation Program

**“Parents have the first responsibility for the education of their children.”** ~Catholic Catechism (2223)

As parents, we are the primary educators of the faith for our children. Our St. Ferdinand Parish Volunteer Catechists and community understand that this is a great responsibility. We will help parents build their domestic church through resources, support and education of our Catholic faith.

When you enroll your child in Religious Education and Sacrament Preparation classes at St. Ferdinand you also enroll your family. Parents will receive support to grow in understanding of our Catholic faith and live a Sacramental life. We encourage all families to give their best effort to:

- Attend Mass every week with their children. Mass attendance is an essential part of our faith and Catholics should not lightly excuse themselves from the opportunity to participate in the Sacrament of the Eucharist.
- Teach your children to pray by praying daily with them.
- Attend all parent meetings or send a responsible representative in your place.
- Bring your child to class regularly and on time.
- Participate in Advent and Lenten Retreat and Confession
